Patrick Harvie MSP
Member of the Scottish Parliament for Glasgow
Scottish Parliament

Dear Patrick Harvie MSP,

As the Bute House Agreement comes to an end, I am writing on behalf of Scottish Environment LINK to thank you for your work in Government, standing up for the environment in your role as Minister for Zero Carbon Buildings, Active Travel and Tenants' Rights.

The climate and nature crises are more urgent than ever and we remain hopeful that Scottish Government can continue to pave the way for a sustainable future where both our environment and communities thrive. Since August 2021, Scottish Greens have brought forward ambitious policy and legislation on the natural environment that offer an unprecedented and progressive chance to secure that step-change for Scottish nature.

We hope that this parliament is still able to deliver the important environmental measures that have been planned, and look forward to continuing to work with you and other members of your party in pushing for strong policies that address the nature and climate crises.

Yours sincerely,

Deborah Long
